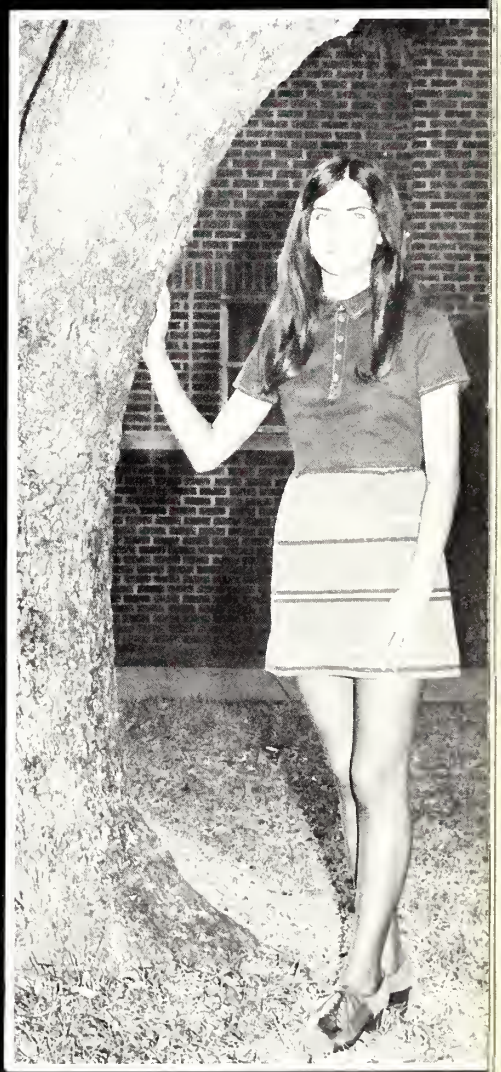
homecoming court

The 1972 Homecoming Queen is Stephanie Cook. Her Maid of Honor is Susan Tingle. Freshmen Maids are: Rhonda Barnes of Philadelphia, Gayle Hardin of Sebastopol, and Gloria Hollingsworth of Lake. Sophomore Maids are: Frances Carrol of Morton, Jarie Ezelle of Decatur, and Phyllis Driskell of Union.

homecoming queen

stephanie cook



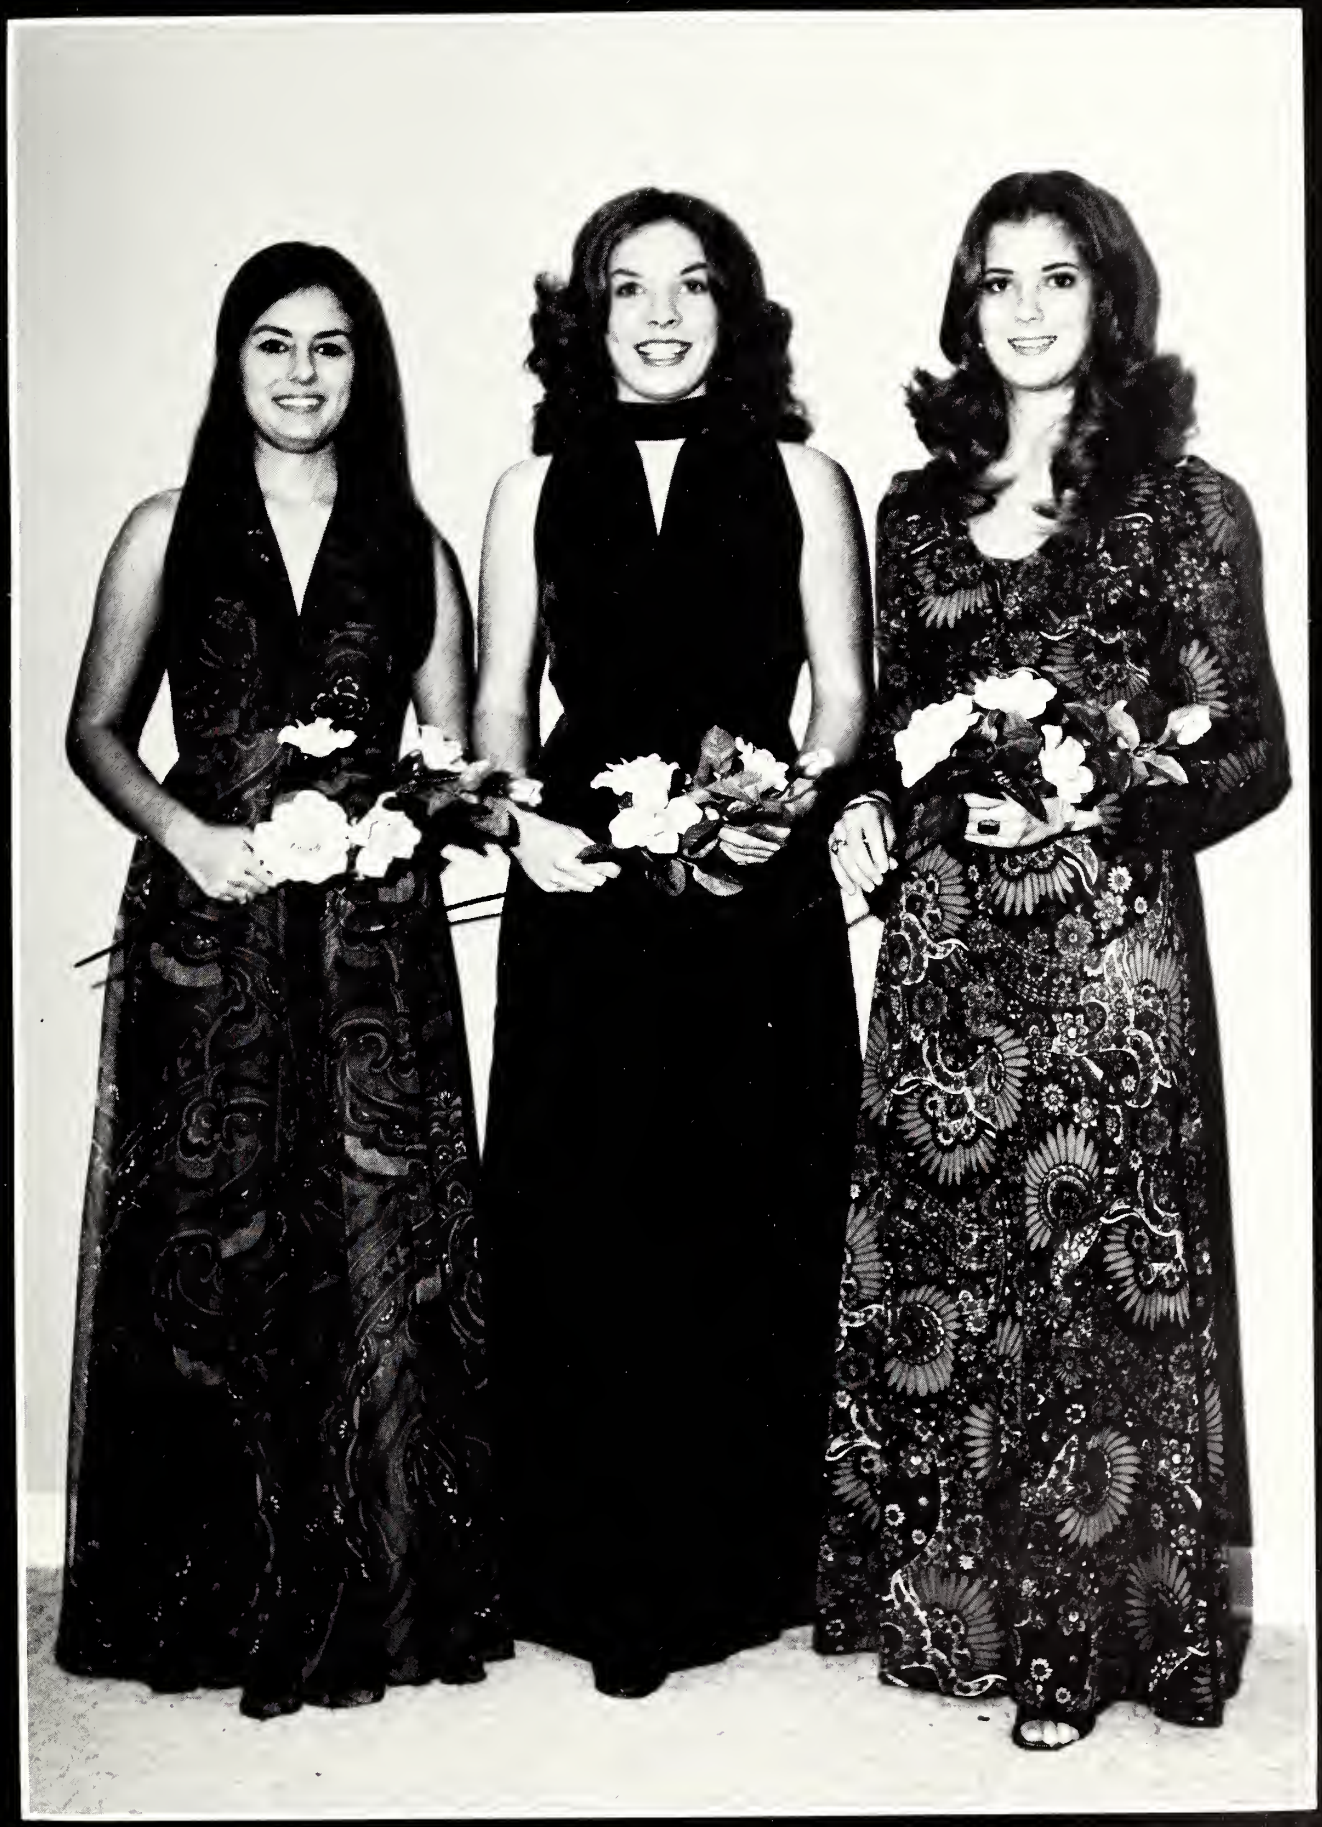
The 1972 Homecoming Queen is Stephanie Cook. She has brown hair and blue eyes. She is from Carthage majoring in Medical Techology. From East Central she plans to go to Hinds and then on to Belhaven. Last year she was a Class Favorite, and this year she is a Centrallette. Stephanie enjoys crocheting as a hobby.

maid of honor

suzi tingle

Suzi Tingle, East Central's 1972 Homecoming Maid of Honor, is well-known and well-liked by everyone on campus. Suzi is from Philadelphia, and her popularity was shown when she was elected Miss East Central Junior College by her fellow students.

sophomore maids



freshmen maids

Escorts and car drivers for the 1972 Homecoming Maids were: Al Massey, David McWhorter, Alan Brunson, Ricky Rector, Stan Whittington, Don Young, Mike Horne, and Harold Johnson.

may day 1973

may queen

bobbie gaile knight

Bobbie Gaile Knight of Forest was chosen as East Central's 1973 May Queen. The 39th annual May Day was held May 3. Bobbie Gaile reigned over the ceremonies which were presented with the theme of "Alice in Wonderland." Bobbie Gaile was also East Central's 1972 Most Beautiful. She is a member of the annual staff and the Wesley Foundation. At Awards Day she was presented the Wesley Award.

maid of honor

patti davis

Patti Davis was the Queen's Maid of Honor at May Day. Patti is from Newton, and represented the Wesley Foundation in East Central's Scholastic Pageant. In addition to her membership in Wesley, Patti is also on the annual staff.

1972-1973 warrior band

Directed by Gilbert Sommers

Performed as a marching band, on stage, in concert.

The band members performed with equal polish on the marching field, as a part of the stage tour, or in the Annual Spring Concert. Many band members were active in all three.

Second semester students and students not previously pictured include: FIRST ROW: Verlene Jackson, Linda McGee, Debra Johnson and Gloria Epting. SECOND ROW: Betty Clemens, Mrs. Molly McGee, David Everett, Charles Blackledge, Richard Stamper.

Students come from five counties and from a number of other towns in Mississippi, and places as distant as Missouri and Virginia.

faculty and staff

DR. CHARLES V. WRIGHT came to East Central Junior College in 1966. With their children Charles, David and JoAnne, the Wrights have entered wholeheartedly into life in the community and have provided steady leadership and strong support for East Central. Many welcome changes have moved us toward better things since Dr. Wright became chief administrator. Most visible are beautiful new buildings for Agricultural-Technology, Vocational-Technology, Fine Arts, And Physical-Education, all built since 1968. There have also been additions to Cross Science Building and Burton Library. Renovation of the Old Gym for student recreation, new bleachers for the football field, additional tennis courts and a promising new baseball diamond have certainly made sports events more enjoyable for all. Wanting better things for East Central is a habit with Dr. Wright and in the last year two more excellent dormitories have gone up and more good things are crowding his list of hopes and dreams for us. Progress is his by-word.

DR. TUCKER serves as Academic Dean and Dean of Faculty. He aids the faculty in any way possible.

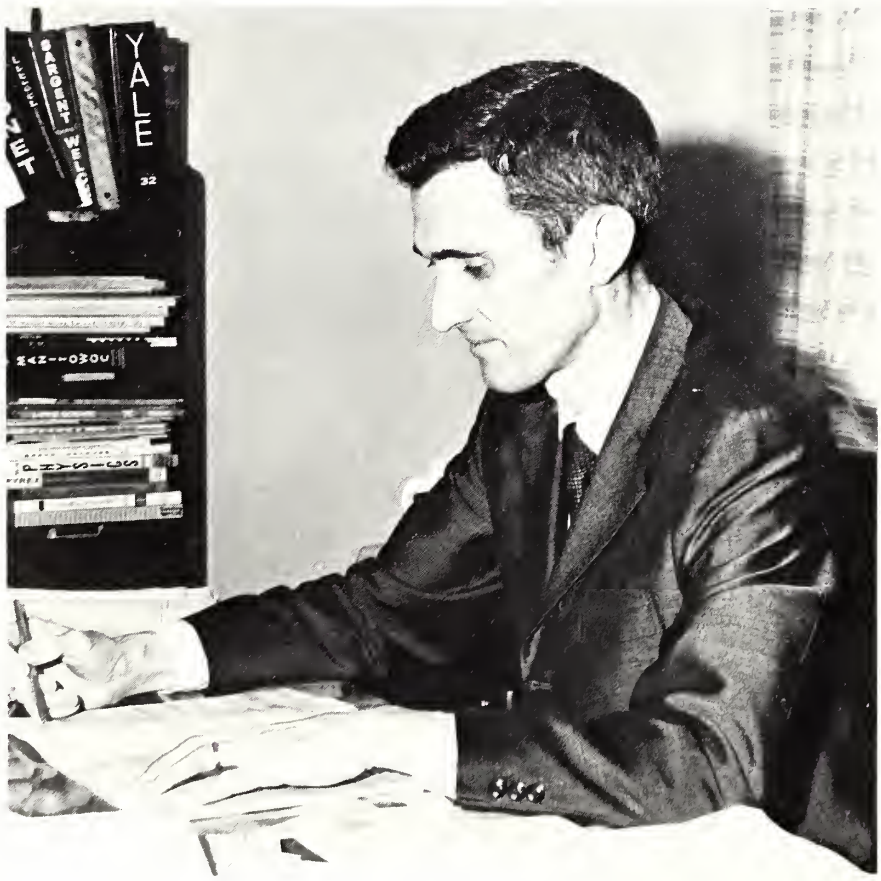
He approves the list of students for graduation. He serves as a member of the Discipline Committee. He supervises academic grading practices and assists in record keeping of sick leave for faculty. He also assists in class scheduling and teacher assignment.

MR. DENVER BRACKEEN, who is Dean of Students, is responsible for coordinating student activities. Mr. Brackeen maintains student personnel records and maintains student activities calendars. He publishes the daily bulletin to inform students of campus activities also.

Dean Brackeen supervises food services, with special emphasis on all aspects of the social nature of student dining. He also supervises student labor.

He supervises the student loan and scholarship program, coordinating academic scholarships with the Academic Dean and also athletic grants-in-aid with Inter-Collegiate coaches. He is always glad to counsel with any student.

MR. FRANK RIVES, our registrar serves as admissions officer, The registrar issues grade reports and maintains academic records. Mr. Rives is the person who prepares and forwards transcripts. He maintains student attendance records and supervises student registration.



MR. B. L. GRIFFIN, the business manager has charge of financial management of the college.

He supervises the bookstore, and is responsible for checking meal tickets and cash collections. Mr. Griffin coordinates student housing for married students, and is responsible for the sale of tickets to athletic events.

MR. RAYMOND McMULLAN is the guidance counselor and is always ready to help students in any way possible. He helps students with any kind of problem he or she might have. Mr. McMullan assists students in working out schedules for East Central and in planning course work for transfer to other schools.

MR. RONNIE CRAWFORD came to East Central in 1971 as vocational counselor. Students enrolled in technical and vocational programs can consult Mr. Crawford for information and assistance on studies, planning, jobs, and other problem areas.

MRS. SARA HEARD, GEORGE MASON, EUGENE TOWLES, and ALFRED DEATON make up the science Department Faculty. All students take one or more science courses for major fields such as botany, zoology, biology, chemistry, and physics.

MRS. LOIS McMULLAN, FRANK RIVES, SHELBY HARRIS, and JACKSON SMITH offer to math majors, engineering students and future teachers courses in trig, algebra, and analytical geometry. All other students begin with some math designed to meet their needs.

Five instructors offer the cousre work of the Social Science Department. The beginning steps for students interested in major fields of sociology, political sci., history and related studies can be taken at East Central. The department members will gladly help students plan course work for these fields.

The advisors in this field are: TOMMY THRASH, L. B. SIMMONS, DR. RICHARD ETHRIDGE, BRAD TUCKER, and MRS. MARTHA GRAHAM.

The East Central Junior College language department offers English Composition as a study in grammar and composition and survey courses in English, American and World Literature. Oral communication is stressed in courses of fundamental speech, and oral interpretation. Theatre arts, an introductory course, is offered for speech majors and interested students. E. C. J. C., as its only foreign language, offers two years of French, authentically taught by a native of France, MRS. ELIZABETH ROWELL. Other language advisors are: RUDOLPH MAYES, OVID VICKERS, BRUCE PETERSON, MRS. MARTHA GRAHAM, MRS. CARRIE ALFORD, and MRS. ALYNE SIMMONS.

The Education advisors are: MRS. MARTHA GRAHAM, MRS. ALICE POUNCEY, and RAYMOND McMULLAN.

An education curriculum should be selected by those who are planning to teach.

East Central offers the fundamental courses required in the present certification requirements of the state Department of Education. The requirements include courses in general education, professional education, and specialized education. It is suggested that those registering in one of the curriculum meet most of the requirement in general education during attendance at East Central. Those who plan to teach in high school should decide on their teaching field and take one or more courses in the field each semester.

The physical education curriculum is designed for those students who plan a career as a teacher of physical education, athletic coach, or director of recreation programs. The student will need to meet requirements of general education that are required of other education majors.

The advisors are: MISS LUCILLE WOOD, WILLIE COATS, JOE CLARK, and KEN POUNCEY.

Oral communication is a study of correct and and effective English, correct Pronunciation and enunciation, breath control and study and practice in making speeches for all occasions. Fundamentals of theatre is a basic course in theatre arts. It is an introduction to the cultural, historical, and social aspects of the drama and investigation of essential elements of play production. Oral interpretation is training in the techniques of oral interpretation, its theories and practices. Emphasis is placed on studies of the backgrounds of the authors and selections, and upon reading the printed page. Mr. Bruce Peterson is the advisor.

The E. C. J. C. art department offers a wide variety of courses for basic learning and technique improvements, related to art fields. Drawing fundamentals taught are the foundation for later design courses and individual painting instruction. Studies in the so called plastic or three demensional arts, are further implemented in the pottery course as well as in the learning proceedures of the art lecture courses which enable the untrained eye to even become more aware and appreciative of the beauty in art. The advisor is MRS. LINDA BURROUGHS.

The work of the music department is organized to give sound foundation work in music theory, develop understanding and appreciation of the literature and history of music, and develop techniques with the voice and music instruments. Programs are offered to those wishing to obtain a degree of bachelor of music Education. Courses are offered for music education, voice, piano, or instrumental majors. The advisors are: MR. R. G. FICK, MRS. MARION THORTON, and MR. GILBERT SOMMERS.

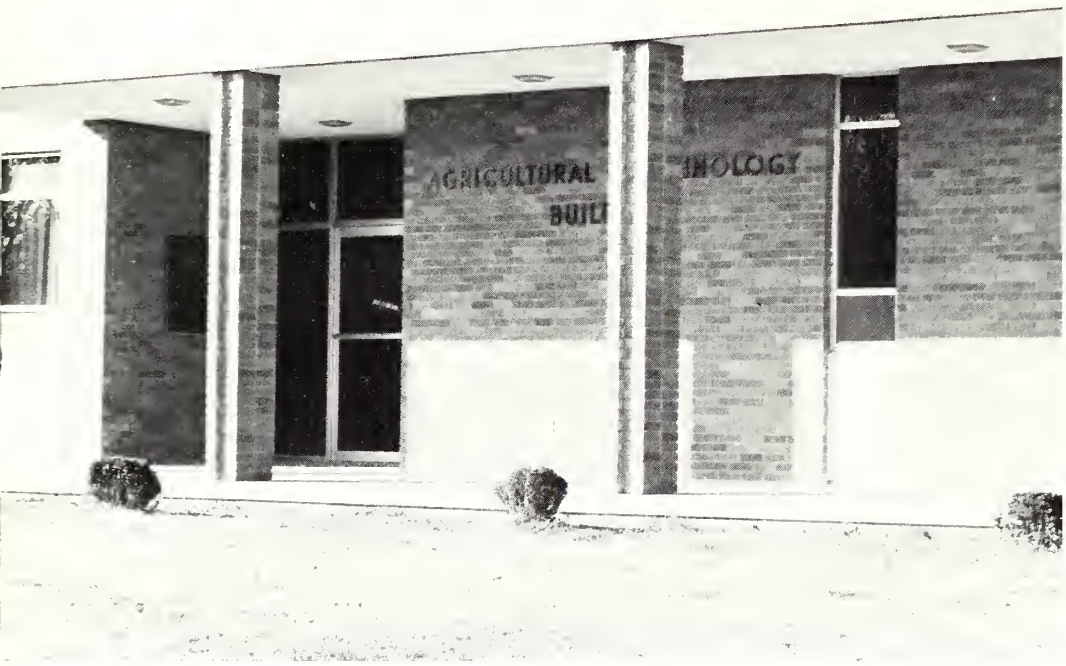
The regular business program at East Central is a two year transfer program. This course of study is designed for students wishing to enter the business world in secretarial or administrative fields or in accounting, economics or business education. The faculty members are MRS. JESSIE MAE EVERETT, HARVEY TRAPP, MRS. SARA GRIFFIN, and MRS. KATHERINE WRIGHT.

Intensive business courses are non transferable and designed for the student who wishes to extend his or her education in the business world. A certificate is awarded upon completion of one year programs in data processing, secretarial and clerical fields.

The East Central Jr. College vocational programs are designed to prepare the student to learn a trade within 12 months. Certificates are issued upon satisfactory completion of one of the programs. Many job opportunities are available to those who complete one of the programs. These programs are scheduled to meet six hours a day, five days a week. Classroom activities in each vocation and related fields as well as actual shop experiences are given each student. Mr. O. L. Newell is the vocational Director in charge.

The programs offered are: Body and Fender, auto mechanics, electricity, refrigeration and air conditioning, machine shop, Radio and television repair, and welding.

The vocational advisors are RICHARD CLARK, EDGAR HOLLINGSWORTH, GROVER SHOEMAKER, JAMES EZELLE, CHESTER CLARK, M. L. HILL, AL BAILEY, M. P. GUTHRIE, WILLARD CLAY, COYT HOGUE.



Secretary to Vocational Director
MRS. BONNIE SMITH

The combination of courses in this curriculum is offered for men who are planning to be professional agriculture workers. Since Miss. is largely a rural state, this curriculum has attracted many men over a period of several years. These men have become leaders in their fields as agricultural agents, teachers, and farmers. All students expecting to complete a four-year agricultural course in a senior college should select this curriculum in agriculture. E. C. J. C. has two part time workers in the agriculture department. They are MR. JOHN McMILLIAN and MR. TOMMY SANDERS.

Home Economics is a suggested curriculum outline for students interested in teaching home economics. Students who elect other fields of home economics should consult the advisor for this curriculum before selecting his course of study. MRS. ALICE POUNCEY is the advisor to see in the field of home economics.

MRS. PEGGY GILMORE, office of the president.

MRS. CLARA WADDELL, office of the registrar.

MRS. LEE ANN SCOGGIN, office of Business Manager.

MISS SANDI WALTERS, Computer Processing Operator.

MRS. MARIE SPENCE, Office of Academic Dean.

MRS. MARTHALENE HARRIS, Office of Dean.

The East Central library offers a wide variety of books and other visual aids for its students. It contains about 20,000 volumes of interest. Some for enjoyment and some needed for writing term papers and completing lessons needed for class. The library is open four nights a week or about sixty hours a week. The library is nice and quiet with wall to wall carpeting.

Two full time librarians are enployed with an average of about 11 student assistants each semester.

MRS. ANN BURKS, Librarian

MRS. SUSIE BARNETT, Assistant Librarian

The dormitory supervisors are responsible for assignment of rooms and maintaining a current directory of students living in dormitories. They encourage wholesome living within college dormitories and enforce college regulations related to dormitory living. These dormitory supervisors serve as faculty advisors to student dormitory government and serve as chaperons for student activities when the entire student body is involved. They supervise janitors and maids in dormitories and also supervise student proctors when they are in use in the dormitories. There are two dormitories on campus for girls. The sophomore dormitory is Newsome Hall with MRS. DESMA KILPATRICK as dorm supervisor. The Freshman dormitory is Jackson Hall with MRS. IRENE WAGNER as supervisor, along with MISS GAIL FULTON as assistant. There are two new air conditioned dormitories for the boys with COACH JOE CLARK in charge.

The campus infirmary is a part of the facilities available to students. A registered nurse, MRS. MARY MASSENGALE, is employed full time and is available to students for medical service.

The town of Decatur has a medical clinic with a local physician. Two hospitals are located within ten miles of the college. Fees paid upon entrance take care of routine medical care and simple medication. The student is responsible for any major medical service.

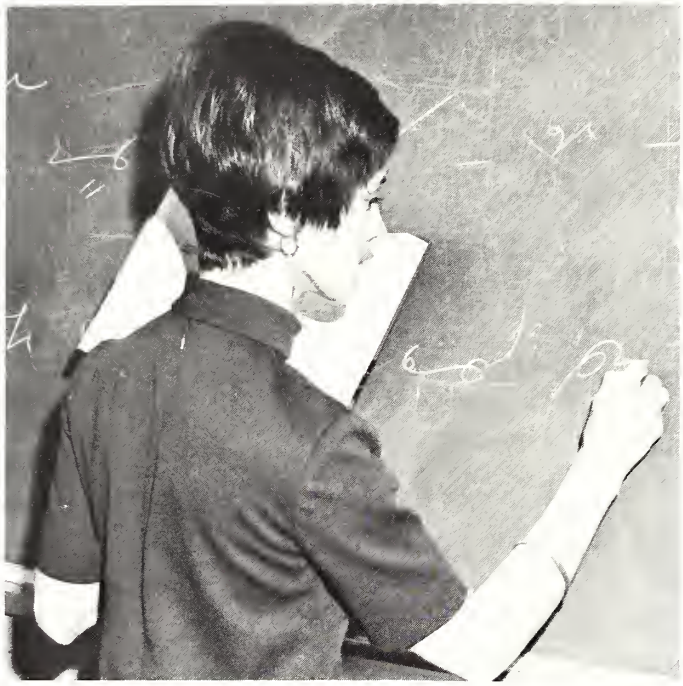
For student convenience in purchasing books and supplies a bookstore is operated in the student center. Supplies for engineering, drafting, art and other special fields are available along with pens, papers, shirts, jackets and certain other extras. Managers of the bookstore are MRS. ORELIA EZELLE and MRS. THELMA CLAY.

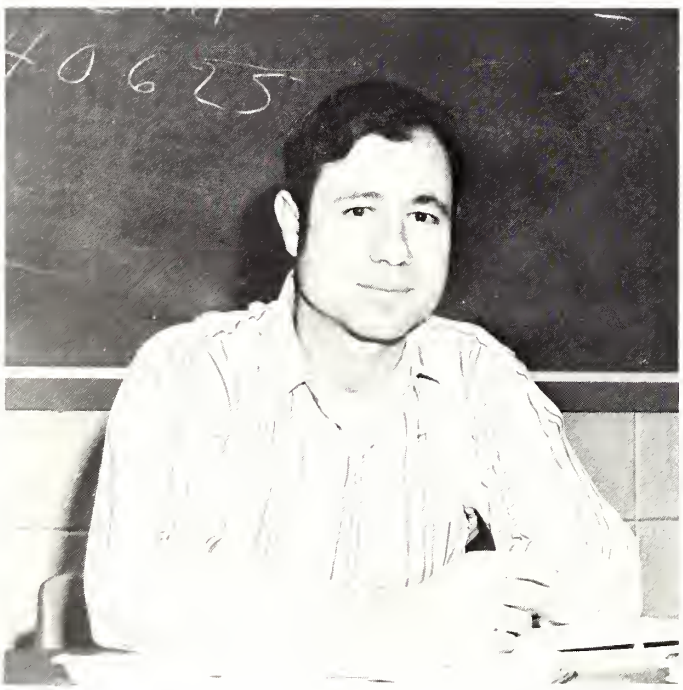
Campus security can be depended on for the necessary attention to the safety and well being of students and the physical plant. Nights and holidays as well as day checks keep ODIE KILLEN and LESLIE LANGHAM busy.

MRS. JANE TANNEHILL, Publicity Director, is kept busy covering with photographs, word pictures and stories most aspects of life on East Central's campus for area papers.

MR. LEE operates our food services for three cafeteria style meals a day and special cookouts, watermelon cuttings and picnics.

MR. CLINTON RUSSELL directs care and maintenance of all buildings and grounds that make up our campus. All comforts, neatness and beauty of grounds can be credited to the attention and skill of Mr. Russell and his staff.





Typing, shorthand, accounting and all vocational shop classes make up East Central's night classes. Members of the faculty are MRS. BRENDA CRAWFORD, AL BAILEY, BERNARD RIGDON and many of the regular vocational technical faculty members.
